

## **A Message from the Mayor**

**It gives me great pleasure to extend greetings and a warm welcome to everyone attending the second annual Canadian Association of Bariatric Physicians and Surgeons (CABPS) Conference.**

**CABPS represents specialists from across Canada with an interest in the treatment of obesity and severe obesity and who are committed to maintaining and improving the standards of bariatric care in our country.**

**This year's conference will bring together surgeons, gastroenterologists, psychiatrists, psychologists and pharmacists for two days of informative sessions, guest speakers and networking opportunities.**

**This event is a wonderful opportunity for attendees to connect with peers, colleagues and professionals in the field of bariatric care in a setting designed for professional development.**

**Whether you are from Toronto, a frequent or first-time visitor, I welcome you to our city and encourage you to visit the wonderful attractions and neighbourhoods Toronto is known for.**

**On behalf of Toronto City Council, please accept my best wishes for an enjoyable and successful conference.**

**Yours truly,**

**Mayor Rob Ford  
City of Toronto**
